

# AN AFTERNOON OF HIGH COFFEE

INDULGE IN THE ART OF COFFEE

# the cortile

Be taken on a journey of the senses with a simple sniff, swirl and sip. An afternoon of High Coffee will involve our resident barista matching Vittoria Coffee blends with a selection of sweet and savoury dishes, that will turn a simple cup of coffee into an experiential dining experience.

Enjoy a lazy afternoon in the beautiful surrounds of the historic sandstone arcades of the Treasury Building of 1851 while discovering the evolution of coffee from classic espressos to signature creations while indulging in a selection of treats with a coffee twist.
